- We are collecting milk jug lids, pasta jar lids, pop bottle lids...all kinds of loose parts! Pipe cleaners, extra materials, extra socks, bed sheets, old cups, paper towel rolls etc...! We can use all recycled materials. Thank you in advance for your donations!

A reminder that we are still trying to get our family tree's completed, please bring a family photo so we can add it to our tree(s).

- Please remember to pack a spare change of clothing daily for your child(s).

We are running low on spare clothing at each of our daycares, most specifically pants, if you have any children's clothing to donate, it would be very appreciated!

PROGRAMS & STAFFING:

Parents, we have 19 full time staff amongst the 3 programs. All which have child development education, criminal and child welfare checks, first aid and food safe certificates. All staff attend monthly meetings and have daily communication throughout the programs. If staff is away for holidays or due to an illness; we ensure that another staff comes in their place to prevent having to close spaces for the day. WE understand that consistency is very important in our classrooms and we are trying our best. Thank you for understanding!

POLICY TO REVIEW:

Nutrition Policy: Proper nutrition is essential to a child's health, learning, and growth. A healthy diet makes children more settled, attentive and ready to learn and play. Our Centre has been carefully designed to ensure it is a safe, comfortable environment that will accommodate the abilities and needs of all children. Our goal is to promote good health, safety and nutrition. Eating nutritious food is an important part of each child's day. Food provided by the Centre will be selected in accordance with Canada's Food Guide requirements. We offer a clean, well-maintained, safe environment with nutritious food for snacks and lunch.
